INDEX OF PROBATE RECORDS

1890 - 1926

JASPER COUNTY
IOWA

Compiled by Pat Beckham
and Bev Brown for
Jasper Co. Gen. Soc.

The indexes in this book are from the oldest records stored by the Jasper County Clerk of Court. They were sorted as stored so some of the years will overlap in the various lists. If your ancestor is not listed than there is no early probate record for that individual.

These records can be viewed and copied at the Jasper County Genealogy Library located at 113 W. 2nd St. S. in Newton, Iowa.

If you are from out of town and interested in copies of a particular record please write to the society at P. O. Box 163, Newton, Iowa 50208. Enclose a SASSE and tell us what relation you are to the person whose record you are requesting. We will send the cost of mailing copies of the probate record. Some files are just a few pages and others have a great many pages.
